

PRESIDENCY

Presidency Note No. **747**/26.

Asunción, **27 de abril del**, 2026.

Mr. Maksim Protasov

**Director of the Department for the Development of Organic and Ecological Products
RUS QUALITY**

Present

The **National Service for Plant and Seed Quality and Health (SENAVE)**, in coordination with the Ministry of Agriculture and Livestock (MAG), has the honor to address you in order to extend a cordial invitation to participate in the **XVII Annual Ordinary Assembly of the Inter-American Commission for Organic Agriculture (CIAO)**, which will be hosted by the Republic of Paraguay and held from September 2 to 4, 2026.

This important international event will bring together competent authorities, international organizations, experts, and key stakeholders from the organic sector across member countries of the region. It will serve as a strategic platform to strengthen organic production, international trade, and technical cooperation throughout the Americas.

In this context, it would be a great honor to have your presence during the event, which will take place at the Paraguayan Olympic Committee, located within the Paraguayan Olympic Park, on Ñu Guasu Avenue, in the city of Luque, Paraguay.

Furthermore, considering the relevance of the Russian Federation's experience in the development of the organic sector, we would be pleased to receive a presentation from your institution to share the country's progress, challenges, and perspectives in organic production. This contribution would undoubtedly enrich the technical exchange among participants.

The hosting of the XVII CIAO Assembly in Paraguay represents a strategic opportunity to position the country as a regional reference in organic production, strengthen international cooperation, and consolidate ties with key global stakeholders. In this regard, your participation would significantly contribute to the exchange of experiences and the strengthening of cooperation between our institutions.

The **National Service for Plant and Seed Quality and Health (SENAVE)** avails itself of this opportunity to reiterate to the Director of the Department for the Development of Organic and Ecological Products of RUS QUALITY the assurances of its highest consideration.

AGR. ENG. RAMIRO SAMANIEGO MONTIEL
